You are welcome to bring your own food, ice chests, etc., but please, no glass containers. Vendors will be on hand to provide a wide variety of delicious Blues Food for sale throughout the day right at the concert, and plenty of snacks and lots of different hot and cold drinks will be available. There are stationary picnic tables seating about 150 people, or you can eat in your chair or on your blanket.

Seating

The facilities include a 4,000-square-foot covered pavilion with a stage. Concert-style seating is available in this area, and there will be room next to the stage for dancing. The pavilion opens up to a 9,000-square-foot lawn with shade trees. The lawn area works well for beach chairs, blankets, playpens, etc.
